

# Development Review Team (DRT) Meeting Snapshot

Week of January 5, 2015

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
85 Waban Hill Road	Conversion of an existing detached carriage house into an accessory apartment
13-15 Alden Place	Addition of dormers to the attic of a two-family structure which will increase the nonconforming floor area ratio
65 Washington Street	Small one-story addition to an existing single-family dwelling to expand the kitchen, which will increase the nonconforming floor area ratio
Fire Station Headquarters / Fire Station #3	Meeting with the architects/engineers to review the proposed site plan.

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.

# Development Review Team (DRT) Meeting Snapshot

Week of January 12, 2015

This week we have DRTs on the following addresses. Call the Planning Department and ask to speak with any land use planner if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
1247-1249 Centre Street	New Restaurant
20 Dale Street/19 Simpson Terrace	Addition to an existing single-family dwelling that will result in the creation of a two-family dwelling or an accessory apartment
50-56 Farwell Street	Attached dwelling project
26 Phillip Lane	600 square foot addition to a single-family dwelling

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
